BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In The Matter of the Application of
SAN DIEGO GAS & ELECTRIC
COMPANY (U902E) for a Certificate of
Public Convenience and Necessity for the
Sycamore- Penasquitos 230 Kilovolt
Transmission Line Project.

Application 14-04-011
(Filed April 7, 2014)

**ADMINISTRATIVE LAW JUDGE'S RULING
RECEIVING EXHIBITS AND SEALING THE RECORD**

On unopposed motion of the parties, I hereby mark and receive the following documents into evidence:

Exhibit 21: San Diego Gas & Electric Company's (SDG&E) Prepared Testimony of Don Houston, J. Michael Silva, and Willie Thomas, dated May 3, 2016 (redacted Version).

Exhibit 22: Office of Ratepayer Advocates' (ORA) Revised Testimony of Christopher Myers, dated May 13, 2016 (redacted version).

Exhibit 22-C: ORA's Revised Testimony of Christopher Myers, dated May 13, 2016 (redacted version).

SDG&E moves to seal Exhibits 21-C and 22-C. It asserts that the redacted information is detailed cost information which, if publicly disclosed, could cause SDG&E and its ratepayers economic harm in future competitive bidding processes. For good cause, shown, SDG&E's unopposed motion is hereby granted.

IT IS SO RULED.

Dated June 3, 2016, at San Francisco, California.

/s/ HALLIE YACKNIN
